Athens Map

Map of Athens.A detailed map of athens where you can find everything a traveler seek about athens greece map.

Athens is the capital of Greece and is the largest city in the nation. Its rich history that span over 3,000 years serve as an interesting backdrop to its present incarnation as a cosmopolitan city and one of Europe's leading business centers.

Often referred to as the cradle of Western civilization, the city is a major site for archaeological research. Let our detailed maps guide you as you travel your way through time visiting the city's unique historical displays at Athens University, National Archaeological Museum, Byzantine Museum, the Demokritos Laboratory for Archaeometry, Cycladic Museum and other locations that play host to this country's glorious past.

The city is host to more theatrical stages than any city in Europe. Our map can help you find every single one of these 148 performance centers from the famous Herodes Atticus Theater to numerous small and romantic open-garden cinemas.

If you crave sports, don't forget that the city was host to the very first modern Olympic games and hosted the events again in 2004. Use our city of Athens map to find all the sports stadiums, Olympic halls, and beach volleyball sites to quench your thirst for competitive play. And, if you're up for a historical fix, follow the map down to the Kallimarmaro Stadium, home of the inaugural Olympics held in 1896.

Whether you're looking to visit the National Garden in Syntagma Square, St. George's Church in Lycabettus or the Athens Planetarium at Andrea Sygnou Avenue, there's no need to get lost or confused – you can find it with a visit to our helpful online guides.

As for your day to day needs, peruse our map to find the nearest station of the Athens Metro, use it to figure out your way to the airport, or have it guide you as you discover those out those out-of-the-way restaurants recommended by friends. Need to know where to shop? Follow our map's directions to Syntagma Square's fashionable shopping centers. Want to spend the night partying? Follow the way to the Gazi and Psirri district, a veritable center of nightlife and entertainment.

Whatever your fancy, Athens is never too big, never too crowded with our helpful maps in tow.

The Maps are curently in development so we can have a detailed quality and colorfull map for every place in Greece.Please check back soon.
