

Thessaloniki map

Thessaloniki detailed map.

Thessaloniki is the second largest city in Greece and is called home by over one million inhabitants. It is an influential center for commerce, industry and politics in the Northern part of the country. Recognized as one of the most attractive cities in Greece, it boasts classic edifices of architectural brilliance and modern day high rises.

The city can be reached by land from Athens and via plane to the Makedonia International Airport. Our map of Thessaloniki can help you find your destination of choice after arriving at this beautiful cosmopolitan center.

It is home to dozens of cultural centers and museums including the Museo Djudio de Salonik, Thessaloniki Cinema Museum, Museum of the Macedonian Struggle, NOESIS, Teloglion Foundation of Art, and many more. Lovers of culture and history will find it a fascinating place with seemingly endless locations to peruse. Use our Thessaloniki map to find your favorite museums and landmarks, as well as the city's numerous archaeological sites which include the extensive city walls and the Ancient Agora of Thessaloniki.

Various festivals are held here annually and if you time your visit, you may be able to participate in some of them. You can find locations handily via our map of Thessaloniki so you can partake in festival events all year round, from the International Trade Fair, Film and Documentary Festivals, the 3-month long Dimitria, Dance and DJ Festivals, and other times of joyous celebration.

Let our helpful guide map assist you in finding the nearest bus stations, railroad stations, restaurants, concert halls and other services. Whether visiting famous landmarks such as the Kamara, Aristotelius Square and Kyvernion or just finding a special store in the bustle of this heavily populated city, our detailed map of the Thessaloniki streets can help make your stay as pleasant and comfortable as possible.

The Maps are currently in development so we can have a detailed quality and colorful map for every place in Greece. Please check back soon.
