

Crete Map

Map of Crete

Crete map detailed in high resolution in order to know everything about crete greece.

Crete is the largest island in the Greek peninsula and the fifth largest in the Mediterranean. It features rich historical sites, beautiful natural formations and pristine, idyllic beaches, making it a frequent destination for travelers. It was the center of Europe's oldest civilization from thousands of years ago, lending a unique historical perspective for visitors to the island.

Use our detailed maps to navigate your way in Crete, from your landing at one of its two international airports in either Heraklion and Chania or as your ferry docks in one of the ports in Heraklion, Hania, Rethimno or Agios Nikolaos. Our maps will soon be ported to mobile phones making it accessible to phones that has on the go Internet such as o2 broadband. Pretty soon you'll literally have Greece at the palm of your hand.

Find accommodation in one of the luxury hotels, family-owned apartments or camping sites that you can see clearly outlined in our Crete map. Whether you are bringing a family of six, a club of 20 or just one special guest, you can get the lodging you seek from our detailed maps.

If cosmopolitan pleasures are your fancy, the Northern part of the island should be your stop. Find unique restaurants, upscale cafés, exciting party places and the liveliest beach resorts with help from our handy map guides.

If you are up for a little history, follow our maps to Knossos, home of the legendary Minotaur; perhaps to Gortyn, a major archaeological site only 45 kilometers away from the island capital of Heraklion; or to Rethymno, home of a Venetian castle, the Fortetza.

Crete offers some of the finest beaches, with a seemingly endless coastline. We can help you find your way to clear waters, whether you find yourself in Heraklion, Chania, Lassithi or any of Crete's numerous villages.

If you're fond of nature and wish to experience beautiful landscapes, the central part of Crete is an excellent destination. Allow our maps to guide you in your treks, exploring the island's gorges, plateaus, hills and mountains.

With so many places to visit in the island, our map of Crete is an indispensable tool. While it may be impossible to visit every interesting location of note, using our helpful guide should assist you in sorting out the places you'd like to visit most so you can make the most of your stay. You can find more information about Crete Greece.

The Maps are currently in development so we can have a detailed quality and colorful map for every place in Greece. Please check back soon.
