Rhodes Map

Map of rhodes island.Rhodes greece detailed map.Print it and get it with you in rhodes island of Greece.

Rhodes is an island in the Greek peninsula, most famous for being the site of the Colossus of Rhodes, one of the Seven Wonders of the World. It is the largest of the Dodecanese islands, a major tourist destination in the country. The island is a foremost stop for many travelers in the cluster, who prefer to stay there for the wealth of activities that one can partake in.

It has one public airport and five ports that serve local and international travelers. Our Rhodes map can help you find your way through the island from the moment you arrive at the capital city of Rhodes and all through your stay, whether in the main town or in one of the smaller, quieter villages.

Need a place to stay? Our map can lead you to your ideal hotels, from the luxury lodgings in the capital to small rooms and apartments down in the villages and resorts. From there, you can use our detailed location map to help you plan your stay.

If you wish to find the best beaches, let our map guide you to Rhodes's wonderful resorts, whether you wish to visit the isolated waters at Afandou, the endless coastlines of Faliraki or the hot, medicinal springs of Kalithea. You will likely find you don't need to travel far from wherever you're staying to find a sandy paradise in this wonderful tourist island.

For historical sightseeing treks, the map should help you locate Rhodes's numerous sites of interest from the Temple of Apollo, ancient Kamiros, the castle ruins of Monolithos, the castle of Kritinia and so much more.

Sports is an activity one can fully enjoy in the island, with numerous football stadiums, various indoor basketball halls, amateur water polo, highly-developed cycling tracks, and sailing activities available to visitors all year-round. Choose your sport and find the nearest area to enjoy them from our Rhodes map.

Rhodes offers a variety of experiences for any visitor and we can help you make the most of it with our local map serving as a helpful guide.

The Maps are currently in development so we can have a detailed quality and colorful map for every place in Greece.Please check back soon.
