

Corfu map

Corfu Map.Detailed map of the queen of Ionian islands in Greece.

Corfu is an island located in the Ionian Sea. It has a deep, colorful history and is the site of many battles dating as far back as the times of the Greek mythologies.

The main entry point for visitors is the Ioannis Kapodistrias airport, which services numerous international and domestic flights. The Corfu port also has direct ferry links, albeit limited, to the ports at Bari and Brindisi. Popular as a first destination for people who wish to travel the Ionian cluster, numerous tour companies operate on the island.

Upon arrival, you can check our Corfu map to help you with finding your desired accommodation. The islands offer everything from luxury accommodation to budget hostels for backpackers so whatever your budget, Corfu welcomes you with open arms.

On the coast of the island lie numerous rocky coves and untouched beaches for you to enjoy. You can find your way with help from our detailed map of the area. Untouched by tourism, these waters are pristine and offer excellent peace and quiet. Of course, heavily populated beaches also offer fun of a different kind so whichever you prefer, our Corfu map should come in handy to assist you.

The town of Kerkira is a veritable treasure trove of cultural wealth. An impressive list of museums and cultural centers call it home, including the Archaeological Museum, the Museum of Asian Art and the Reading Society of Corfu. Find the area and all its wonderful places of interest from our map. You may also wish to visit the Palace of Achillion, the Byzantine Museum and numerous other landmarks of historical significance.

If you wish to experience nature, exploring Corfu is a pleasant adventure with all the green vegetation along its countryside whose vibrant colors defy even the harsh winters. Whether you seek restaurants, culture, nature or entertainment, turn to our map to help you manage your way around the beautiful island of Corfu.

The Maps are currently in development so we can have a detailed quality and colorful map for every place in Greece.Please check back soon.
